## EMERGENCY AND FIRST AID PROCEDURES

### INGESTION:

If swallowed, drink water or milk as soon as possible. Call a physician immediately. Never give anything orally (by mouth) to an unconscious person.

### SKIN CONTACT:

Remove any contaminated clothing. Wipe off excess from skin. Wash skin with soap and water for at least fifteen minutes. Get medical attention if irritation develops or persists.

### EYE CONTACT:

Wash eyes with plenty of water for at least fifteen minutes, lifting upper and lower eyelids occasionally. Get medical attention immediately if irritation persists.

### INHALATION:

Remove person from area. Supply person with fresh air and consult a doctor according to symptoms.
